Study Programme _____

Master's Project

Thesis topic / question for the Master's Project:

Schedule for the Master's Project

Provide an outline of the progress plan, keywords may include: thesis question; literature review; data gathering; text production/written work; repertoire studies; analysis; interpretation; concert production/completion. Planned exchange periods and/or temporary leaves of absence should also be included here (NOTE: this does not substitute or in any way exempt students from submitting an application for leaves of absence).
